## **BBSC Minutes of Meeting**

*September 5, 2023*

The meeting was attended by 21 members and no guests.

Location of the meeting was the Masonic Lodge in Alpine. The meeting was called to order at 6:02pm by president Jim Westermann. John O Hollis gave the invocation.

### *Reports*

The August 1st minutes were read by Scott McClanahan. John O Hollis motioned to accept and Roger Amis seconded, and the minutes were accepted.

Liz Measures read the treasurer's report. Expenses include all the annual expenses to start a new year: insurance, print membership forms, the range lease, locks, and keys. 119 paid memberships so far this year (5 days including the gun show). Motion by Lance Johnson to accept, second by Ralph Gruebel, and the motion carried.

### *Elections*

Mike Boren made a motion to accept the current slate of board members as the new board for the 2023 - 2024 year. Lance Johnson second the motion, and all were in favor. The 2023 - 2024 board is Jim Westermann (President), Kyp Angel (VP), Liz Measures (Treasurer), Scott McClanahan (Secretary), and Robert Johnson (Range Safety Officer).

### *Old Business*

The insurance policy was increased from \$1 million liability coverage to \$5 million.

The shotgun pallet of clay targets was delivered and stowed by Phil O'Shaughnessy and Monty Kimball. Phil reported the skeet high house and trap house need a new roof and will get an estimate. We are shooting shotgun sports Wednesday evenings and Sunday afternoons.

Ralph Gruebel motioned to build a road to the shotgun range, parking, and access to the range. Second was by Mike Boren, and the motion carried.

Ralph Gruebel talked to Luke Hendryx about gear for youth shoots. There are two trailers, one full of 22 rifles and the other full of archery gear. The gear has been sitting for 2 years or more and needs to be inspected. Club volunteers are needed for the gear inspection. The next step is to get volunteers 4H Club certified to run these two shooting activities. Training will happen in Fort Stockton soon.

Electrician Andy White determined the main fuse box connections were loose, and other connections were not secure. We will get a quote for running a high house circuit with a weather-head.

Robin Harrison reported the WPRW Run and Gun will be on a ranch south of Alpine next year. BBSC member Sylvia Nelson was recognized as this year's winner with a standing ovation.

The Turkey Shoot is October 14th. It is a fundraiser for the SRRWC, and an open house for the general public. The event needs to be reported in Brewster, Presidio, and Jeff Davis counties. Lunch will be served at the turkey shoot. Target frames will be built for the turkey shoot, possibly out of the donated lumber from True Value at the target shed.

Robert Johnson reported range closures on the September 8, 14, and for the turkey shoot.

### *New Business*

Mike Boren asked for a members only rendezvous trade fair. Location could be the Mason's Building or the range. The board will look into the legalities of both locations. Members were in favor of such an event.

A question of a range lost and found was considered. Recommend contacting one of the officers.

Ralph Gruebel recommends putting the club web site on the range sign by the gate. The meeting attendees showed hands on the idea of having a short presentation after meetings. There was interest and okay with the Masons. The secretary will arrange speakers.

Jim Westermann motioned to adjourn at 6:53pm and Scott McClanahan seconded.

Respectfully Submitted,

Scott McClanahan #270

BBSC Secretary
